LIBERTE EGALITE FRATERNITE ARE VALUES THAT WE SHARE SAID PRESIDENT OBAMA

AFTER THE TRAGIC TERRORIST ATTACK NOV 13

Paris, Washington DC, 16.11.2015, 23:34 Time

USPA NEWS - “Once again, we´ve seen an outrageous attempt to terrorise innocent civilians. This is an attack not just on Paris, it´s an attack not just on the people of France, but this is an attack on all of humanity and the universal values that we share.“ Said President Obama

WE´VE ALWAYS BEEN ABLE TO COUNT ON THE FRENCH PEOPLE TO STAND WITH US
“This is a heartbreaking situation. And obviously those of us here in the United States know what it´s like. We´ve gone through these kinds of episodes ourselves. And whenever these kinds of attacks happened, we´ve always been able to count on the French people to stand with us. They have been an extraordinary counterterrorism partner, and we intend to be there with them in that same fashion.
I´m sure that in the days ahead we´ll learn more about exactly what happened, and my teams will make sure that we are in communication with the press to provide you accurate information. I don´t want to speculate at this point in terms of who was responsible for this. It appears that there may still be live activity and dangers that are taking place as we speak. And so until we know from French officials that the situation is under control, and we have for more information about it, I don´t want to speculate. Thank you very much.“ Remarks of President Obama----------
